SPECIAL NOTICES

To All First Year Legal Writing Students:

On Tuesday, Professor Ralph Brill will give a lecture for all students on *The Structure and Style of a Legal Memorandum*. Times are 10:40 a.m. for section I, 1:55 p.m. for sections II and III, and 7:35 p.m. for the Evening Division. Please make sure to attend. Professor Brill is a nationally known expert on legal writing, and his insights will be very helpful to you in writing your second memorandum. All sessions will be in the Auditorium.

From Professor Richard Kling: Show Me Your Feet!!!

I am presently involved in the representation of a defendant charged with a murder in Wilmette, Illinois which occurred on 12-28-93. One of the issues in the case involves bootprints found in the snow at the scene of the murder. The State has attempted to present expert testimony that height can be ascertained from foot size. I am conducting a purely voluntary survey of all MALE students (police assume that the killer was male) to attempt to ascertain whether there is any correlation between foot size and height. If you are willing to participate in the survey, a question form (which takes very little time to fill out) is available in the Law Offices reception area on the 6th floor. The defendant is literally on trial for his life, and the results of the survey will be used in court. Accordingly, if you are willing to participate, it is expected that your answers will be honest. You will be asked your name, social security number, national or ethnic origin (which MAY relate to height and/or foot size), height, shoe and boot size, and whether the shoe/boot sizes are men's or women's (since it is not uncommon especially in boots and athletic shoes for "unisex" wearing). Your cooperation is greatly appreciated.

All third year students who are interested in externing with the Office of the U.S. Attorney for the Northern District of Illinois **for the Spring 1995 Semester** should pick up their applications from Professor Gross in Room 617.* The primary goals of this externship are to provide the student with exposure to and participation in federal trial and appellate practice and to assist the office in handling its multitude of important cases. **Completed applications must be received at the Office of the U.S. Attorney by Tuesday, September 27, 1994.**

Should you be selected by the U.S. Attorney's office to receive law school credit for this externship, you must also apply to and be accepted into the law school's Advanced Externship Program. Professor Gross will explain those application procedures to you, when you pick up your application for the U.S. Attorney. JUDICIAL EXTERNSHIPS: SPRING 1995 SEMESTER

Second and Third Year Students, Minimum 3.2 Grade Point Average

Informational Meeting. On Tuesday, October 4, 1994 at 12:00 noon in Room 170, there will be a meeting for all students who are interested in externing for a federal appellate, district, bankruptcy judge or magistrate for the Spring 1995 Semester. Professor Vivien Gross will describe the kinds of experiences a judicial extern will have in the course of a semester, as well as how to apply. If you are interested in a judicial externship, but are unable to attend the meeting, please see Professor Gross in Room 612.

A judicial externship enables the student to become involved in particular legal problems through research and writing, and to contribute in the resolution of those legal problems. Depending upon the judge, an extern may have the opportunity to observe the day-to-day routine of a judge and discuss with the judge and the judge's law clerk those legal problems which attorneys face in their profession, and the specific problems which attorneys confront in their courtroom. Take advantage of this wonderful opportunity!

Application Process. The applications for the Spring Judicial Externships will be available in Room 601, Law Offices, as of Monday, September 26. **Completed applications should be submitted to Ms. Jan Lund, Room 610, Law Offices, Wednesday, October 12, 1994 by 5:00 p.m.**

Job-a-thon II Coming October 10th!

The Student Careers Committee is seeking second-, third-, and fourth-year students to make telephone contact with local law firms to inquire about law clerk and associate position openings. Last semester the Committee uncovered **56** postings and at least two students found their summer jobs by making the calls!

This semester's Job-a-Thon will be held from Monday, October 10th until Thursday, October 20th. The commitment is only a few hours and you'll be trained by the Career Services staff before you have to talk to any live employers! Email MMENOTTI or see Stephanie Rever Chu for more information or to volunteer as a student caller. Don't pass up the opportunity to overcome your aversion to speaking with potential employers on the phone!

Additional Direct Contact Employers

Good news! Additional employers are seeking resumes from Chicago-Kent students: see the "Direct Contact" bulletin board for the details. We advise contacting these employers as soon as possible because they may be receiving resumes from students at other schools.

Information about the employers is available in the black binders in the Resource Center. A word to the wise: use a carefully tailored cover letter which addresses the reasons you are interested in the firm. Try a Nexis search of periodicals for the most up-to-the-minute information about firm activities.

Fall On-campus Recruiting Information:

Interview Room & Interviewer Name Information

Interview rooms will be posted on the bulletin board the day of the interviews. Please do not forget to check the bulletin board immediately before your interview!

We will try to post the names of interviewers a few days before the scheduled date when possible. As you've heard, we don't always know who the interviewer(s) will be until the day of the interviews!

Email Alert!

Participants in the fall interview program should check their email daily. This is the time of year when employers unexpectedly add people to their schedules or make last minute time changes in their schedules. We don't want you to miss an opportunity because you neglected to read your email. Help us help you by reading your email daily!

NEWS FROM THE CENTER FOR LAW AND COMPUTERS

Remember To Backup Your Files!

First years - Your next paper is due within two weeks. Second and Third Years - You are still writing papers and sending out resumes and cover letters. Everyone else - This also concerns you.

Please, backup your files regularly. And make that backup on a separate disk. You might think saving your files every 10 minutes is over-kill, but it is not. For the time it takes to hit 2 or 3 keys you can save yourself hours of re-typing. There are few things worse than losing the last 4 hours of changes to your document. There is a HELPDOG located in Lab 700 with instructions on how to save your file to another disk. (Basically, just switch disks and save the file onto the second disk. Then replace the first disk.)

As always, label your disk and put your name on it. We can't return the disk to you if we don't know who's disk it is.

Email Announcement

We would like to repeat from earlier *Records* part of our Guidelines on Lab usage.

Email should not be used for mass mailings. If you have a message that you think is of general interest to the Chicago-Kent community there are other ways to distribute that information. (Some of them are *The Record*, broadcast messages, USENET discussion groups, and the Kentnet Classifieds.)

Thank you for understanding.

Where To Go For Assistance

Your first stab at getting help for basic questions about WordPerfect, viruses, email, and similar questions should be the Helpdocs located in Lab 700. These give step by step instructions on how to do many of the basic tasks on Kentnet.

If you can't find what you need in the Helpdocs, try the Helpdesk. This is a two-pronged service. First, there is a physical helpdesk located in the Lab 700 by the printers. The desk is staffed by members of CLASS, the Computer Law Association. The desk is manned for approximately 20 hours a week, both during the day and in some evenings. These same students also answer the email account HELPDOG. They log in to pick up these messages **throughout the day, the evening and on weekends.**

LEXIS and WESTLAW questions about printing, downloading documents, and creating searches can be answered by the LEXIS and WESTLAW representatives listed in *The Record* each week.
